

VICTORY NEXT
NOVEMBER IS
DINNER THEME

"Victory in November" was the theme of talks given by a number of candidates Monday evening at a pre-campaign banquet held by the Adams County Democratic committee and the Women's Democratic club of McSherrystown at the Cross Keys Inn. 289 attended the dinner.

Richardson Dilworth, Democratic candidate for governor, and U. S. Senator Francis J. Myers, candidate for re-election, were the principal speakers.

Both paid tribute to Congressman James P. Lind, seeking re-election to that post from the York-Adams-Franklin district. Senator Myers said: "I can't let the opportunity go by to tell you how proud I am to serve with Jimmy Lind. In the short time he has been in Congress he has become popular with his colleagues of both parties. The people of this district would do themselves a great disservice if they did not send Jimmy back for the job he is doing for you, the people of his district. In the short time he has been there he has proven himself, and re-elected for another term, would prove of even greater value to you, the people whom he serves." Dilworth said, "There never has been a better candidate than Jimmy Lind."

Scores GOP Ticket

The Democratic candidate for governor scored the Duff-Fine ticket of the Republican party and then pointed out, "But it is not enough to show up the Republican ticket for what it is, we must show the voters that we can do a better job of running the government. We must make clear that we know that good government is good politics, and that we intend to give good government."

Announcing that he plans to start his campaign for governor on July 31, Dilworth declared, "We intend to wage the kind of campaign that cannot be ignored. We intend to show up Governor Duff for the kind of phony liberal that he is, and we intend to show how shabby his backing is."

"We intend to show up the Republican primary fight for what it is, not a battle of ideas but a (Please Turn to Page 6)

COMMITTEE IS
"BLAMED" FOR
TRAFFIC JAMS

Burgess William G. Weaver replied to recent criticism of the handling of traffic in Gettysburg on the afternoon of Memorial Day at Monday night's meeting of the borough council by throwing the blame in the lap of the Memorial Day committee.

The parade permit was made out for 2:30 p.m., according to the burgess. The committee changed the parade hour from 2:30 p.m. to 2:15 p.m., he said. Neither the borough police nor the state police were notified, he further charged.

The change was made, he declared, because of a radio broadcast at the National cemetery. "The committee slipped up," he said.

Confusing Detours

Burgess Weaver said policemen were stationed during the parade at several intersections in the borough to detour traffic. According to J. William Kendlehart, Jr., district highway engineer, they apparently did either too good a job or not good enough. According to Mr. Kendlehart, "at least 40 out-of-town motorists were detoured at the north end of town, and ended up at the brick yard."

"I wonder if all the police knew what the detours were," he said. "I know you are going to have a big parade here in July, and I am wondering how this is going to be handled."

Mr. Kendlehart said when a parade permit is issued by the state it is up to the local police to handle the situation and detour the traffic. Burgess said that Chief of Police Robert C. Harpster and Sgt. W. Kurt Duhorkoff, in charge of the Gettysburg substation of the Pennsylvania state police, had conferred on plans for handling the parade.

Criticizes Utility

Mr. Kendlehart also criticized the Manufacturers Light and Heat company for not leaving streets in proper condition after digging them up. "West Middle street is in a deplorable condition," he said, "with digging on both sides, and the earth not properly tamped down afterward. 'Something should also be done on West Middle street at the Tiber,' Mr. Kendlehart added. "There is a hole only 15 inches from the edge of the concrete highway. If something isn't done there is going to be an accident."

Mr. Kendlehart said that the state issues the digging permits in about half of the boroughs in the county. "Where we issue the permits, we don't have any trouble," he said.

Council adopted a resolution "suspending" one-way streets in the borough, with the exception of East High and South Stratton streets, but took no action to rescind the ordinance which set them up. The resolution said:

Suspend Ordinance

"Be it resolved by the burgess and borough council of the borough of Gettysburg, Adams county, Pa., that those provisions of an ordinance prohibiting other than one-way (Please Turn to Page 6)

George Fair was in his old-time form as he pitched the Glenn L. Bream garage to a 7-3 triumph over the Texas Lunch in the nightcap. The defeat was also the first for the lunchmen. After five innings the score was deadlocked at 2-2 but last year's titlists pushed over a pair in the sixth and added three in the seventh to clinch the decision.

Jackie Robinson Is Near Musial Mark

New York, June 6 (AP) — Jackie Robinson, National League's defending batting champion, does not intend to give up his crown without a battle—Musial or no Musial.

The flashy second baseman of the Dodgers hit a hot streak the past week to climb within 28 points of Stan Musial's leading 390 mark. Bobby's average is .352.

Although his mark is under 400 for the first time since the first week of the season, Stan still holds a 24-point bulge over Pittsburgh's Johnny Hopp. The veteran infielder-outfielder is hitting .366 through games of Sunday, June 4.

Fourth place belongs to Philadelphia's Dick Sisler. The self-made flycatcher is batting .351, thirteen points better than Enos Slaughter of the Cards who holds fifth place with .338.

Duke Snider of the Dodgers, another who has raised his batting average considerably during the past week, is sixth with .336.

ROBINSON WINS OVER VILLEMANN

Philadelphia, June 6 (AP)—Sugar Ray Robinson, the master craftsman of the ring, has a one-forty-eighth interest in the middleweight championship today after doing a workmanlike job on stocky Robert Villemann of France.

But the lanky Sugar from New York's Harlem definitely would like the other 47 parts—even to the extent of giving up his welterweight title—before retiring in two years.

Robinson won the Pennsylvania version of the 160-pound championship last night before a disappointing crowd of 22,004 which paid \$119,007.49 to see the fight at Philadelphia's huge Municipal stadium. He displayed a variety of blows that, while not able to knock out the Frenchman, caused Villemann to say in his dressing room:

"He's a real champion. He hits harder than any man I ever met."

"It's a wonderful thrill to win the world's middleweight championship, even if it's only for the state of Pennsylvania," said Robinson in his dressing room. "Now I'd like to be champion of the entire world," he added.

And to that end, Sugar Ray said he is ready to meet Jake Lamotta, recognized 160-pound king everywhere except in Pennsylvania, anytime and anywhere.

Sports Roundup

By HUGH FULLERTON, JR.

New York, June 6 (AP) — The National Collegiate A.A. Compliance committee is meeting to consider 22 more cases of possible violation of the "Sanity Code" and some of the original "Sinful Seven" are wondering what the heck . . . A lot of delegates left the NCAA meeting last winter with the idea that no further action would be taken against violators, pending a survey by a special committee . . . Then they found the original seven had been ruled ineligible for NCAA tournaments and further indictments might be handed down . . . They said Curly Byrd had amended his resolution, but it wasn't changed on the copy I had . . . one of the sinners growled recently. "Then they said they had to 'save face': They were supposed to consider some changes in the Sanity Code at a meeting in Chicago the other day and I understand the Eastern College Athletic conference did modify its rules . . . Now I don't know what's up . . . That makes it unanimous; neither do we.

WHAT'S THE SCORE?

A sporting goods house, which awards hole-in-one certificates to deserving golfers, recently received an attested scorecard from John Grove of Lenox, Mass., who sank his tee shot on the 100-yard fifth hole at the Stockbridge, Mass., golf club . . . The card showed the ace, all right, but it also showed a couple of tens and, on a 525-yard hole, a gaudy 16. Grove's total for the par 71 course was 70-64-134 . . . It only shows you don't have to be an expert golfer to score an ace.

SPORTS BUSY-NESS

Whit Cobb, who won 12 varsity letters at Davidson college, completed in basketball, track and tennis was student body president, fraternity officer and ran his own insurance agency—insuring other students' bicycles . . . Bill Boedecker, Cleveland Browns halfback, is carrying 17 hours in the College of Education at Wayne U. teaching on the side, bowls twice a week and plays handball daily . . . And Ted Fritsch, veteran Green Bay Packers fullback, is studying for a physical education degree at Wisconsin and commuting from Madison to play in the outfield for the Manitowoc Braves in the Wisconsin State league . . . Why don't they leave a few jobs for ordinary guys?

night while Utica was taking a 5-3 decision from the Hartford Chiefs.

TIGERS GAIN AS INDIANS EDGE YANKEES 3-2

By JOE REICHLER

(Associated Press Sports Writer)
Detroit owns one of the most beautiful baseball parks in the country but the Tigers would just as soon play elsewhere.

The reason? The Tigers have been almost unbeatable on foreign fields. In contrast they've played under 500 ball in Briggs stadium.

Manager Red Rolfe is at a loss to explain the surprising turn of events but as long as the Bengals keep winning away from home, he doesn't care. The red-thatched pilot is confident his charges will find the winning combination on home soil before long.

The Tigers whipped the Senators in Washington, 7-4, last night for their 19th triumph in 22 games away from home. That's an amazing 864 percentage and far better than the front running New York Yankees. At home Detroit has won only eight while losing nine.

Gain On Yankees

Yesterday's triumph coupled with New York's 3-2 defeat by Cleveland pushed the runner-up Tigers up within a game and a half of the Yankees. Boston's third place Red Sox buried the Chicago White Sox under a 12-6 shellacking to climb within four games of the top.

Brooklyn's Dodgers gained undisputed possession of first place in the National league vanquishing the Chicago Cubs, 13-1, in the only afternoon game while the Philadelphia Phils shaded the St. Louis Cardinals, 6-5. In the only other league game, the New York Giants edged out the Pittsburgh Pirates, 5-4 in 10 innings.

The Dodgers now enjoy a half game edge on the Phils who swept past the Cards by a half length on the strength of their victory.

Outstanding in yesterday's doings was the batting of George Kell and Hoot Evers of the Tigers; Vern Stephens and Ted Williams, Red Sox; Bob Kennedy, Indians; Del Ennis, Phillies; Bob Morgan, Dodgers and Sam Calderone, Giants.

6th Straight For Senators

Other noteworthy achievements were the pitching of Cleveland's Bobby Feller, Boston's Maury McDermott, Brooklyn's Preacher Roe, Philadelphia's Robin Roberts and the New York Giants' Andy Hansen.

Kell, American league's champion batter last season, moved into a tie with Cleveland's Larry Doby for the batting leadership at .388 by rapping four straight singles. Evers made only two hits but one was a homer and the other a triple to drive in five runs.

Dizzy Trout went the distance for his third triumph without a loss and the Tigers' sixth in succession. The defeat was Washington's sixth straight.

Stephens clouted his 11th homer and a double to drive in four runs as the Red Sox rang up a four-day total of 51 runs on 57 hits against 18 pitchers. They've won all four. Williams collected two hits for a four game total of nine in 18 times at bat since the Red Sox returned home.

Fourth Keller Win

McDermott, who replaced starter Ellis Kinder with one out and two on in the first inning when Kinder complained of a kink in his left shoulder. Yielded only four hits in getting credit for the shutout, it was his fourth triumph against one loss.

Kennedy scored two of Cleveland's three runs against loser Allie Reynolds and reliever Joe Page via a first inning single and a sixth inning home run. Feller allowed five hits in registering his fourth triumph.

The former strikeout king had a three-hit shutout going into the ninth. However, a walk and double by Cliff Mapes following Joe Dimaggio's eighth home run gave the Yankees two runs after one out. Yankee Manager Casey Stengel then inserted two pitchers—Ed Lopat and the second on a third strike to Tommy Byrne—as pinch hitters. Feller got the first on a foul pop and the second on a third strike to end the game.

Larry Doby Holds American Bat Title

Chicago, June 6 (AP) — Although skidding from .402 to .395 last week, Cleveland's Larry Doby held the American league batting lead with a 20-point bulge over the field.

In games through Sunday, George Kell, Detroit third baseman who noled out Ted Williams for the 1949 hitting crown, jumped from fifth to second with .375. Walt Dropo of Boston was on his heels with .374.

Rounding out the leading 10 were Sam Mele, Washington, .370; Paul Lehner, Philadelphia, and Al Zarilla, Boston, each with .355; Phil Rizzuto, New York, .350; Walt Evers, Detroit, .344; Dom Dimaggio, Boston, .341 and Johnny Pesky, Boston .338.

Yesterday's Stars

Batting: Hoot Evers, Tigers — Batted in five runs with a home run and triple to lead the Tigers to a 7-4 triumph over the Washington Senators.

Pitching: Bob Feller, Indians, stopped the New York Yankees with five hits in pitching Cleveland to a 3-2 triumph.

Lee Savold Meets Woodcock Tonight

London, June 6 (AP)—An ex-bar room bouncer tangles with a plain country lad tonight for what this side of the ocean will call the world's heavyweight boxing championship. The combatants are Lee Savold, a 34-year-old tough guy from Englewood, N. J., and Bruce Woodcock, a 29-year-old railwayman from Lancaster, England. Fight time is 3 p.m. (EST).

Although Britishers like to dream that Woodcock will become their first heavyweight champion since Bob Fitzsimmons (1897-1899), the men who back their dreams with money have made Savold a 4 to 7 favorite.

Righthander Howard Anderson is one of the reasons the Hagerstown Braves are riding atop the Interstate league pennant heap today.

Anderson turned in his fifth win of the season without a loss by downing the Allentown Cardinals last night, 7-5.

The win enabled the Braves to remain five full games in front of the second place Wilmington Blue Rocks who defeated the Lancaster Red Roses 6-2 with a four-run outburst in the eighth inning.

In the only other game scheduled last night, the fourth place York White Roses turned back the Sunbury Athletics 5-4 with the help of a five-run spurge in the fifth inning. Harrisburg and Trenton were not carded.

Today's Talk

By GEORGE MATTHEW ADAMS

THE VALUE OF IGNORANCE

We grow wise as we realize how ignorant we are. It was Socrates, noted for his wisdom, who confessed at the age of seventy that he still knew nothing. All of us have to live long in order to come to the conclusion that we know next to nothing.

But there is a great value to ignorance and it is this—by being ignorant we are in line to experience the joy of discovery! The highest value attached to a public school, or college education, is that when you have finished either you learn how little of life you really know. A friend of mine once asked me whether the horns of a cow appeared above or below the cow's ears. Well, he had me there. I worked, as a boy, upon the farm, milked many a cow, drove them to pasture, and fed them, but I had to make a guess. Fortunately I was right. Where are they located? Why a city dweller has never seen a cow! Ignorance is always a prod—always challenging us to learn and to know more. We are all ignorant to a greater or lesser degree. But every day of our lives we can blot a little of it out permanently. There is something we can learn from every human being whom we meet, or contact. Books feed our mind, but observation teaches us most. It is through observation and experiment that people write books.

The more we know the better is our understanding, as we read and observe. Traveling does away with much ignorance. It is this power of ignorance that spurs us to travel. John Burroughs, the naturalist, built a cabin in the woods that he might learn at first hand all about the birds and animals in that location. One thing he learned was that birds expressed themselves in three calls: one for alarm, one of love, and one of friendship.

It adds to our enjoyment of birds to know the names and habits, and calls of those nearest us. Their songs then sound sweeter to us! Ignorance puts us on our mettle, touches our pride, and makes us want to get rid of as much of it as we can.

Tomorrow Mr. Adams will talk on the subject: "Evening."

SEGREGATION OUTLAWED BY COURT DECISION

Washington, June 6 (AP)—Decisions outlawing Negro segregation as practiced in two southern state universities and in dining cars on southern railroads wound up the Supreme Court's 1949-50 term in a burst of activity.

A score of cases—the others were of lesser importance—were disposed of by the court yesterday before it adjourned until next October.

In two long pending cases the court held that Negroes must be given substantial equality with white students in two state universities, Texas and Oklahoma.

Cites 14th Amendment
Differences in treatment by a state because of race are a violation of the Constitution's 14th Amendment, Chief Justice Vinson declared in the two opinions. The 14th Amendment, adopted after the Civil War, guarantees equal protection of the laws to all citizens.

One of Vinson's opinions ordered the University of Texas to admit Heman Marion Sweatt to its all-white law school. Sweatt, a Houston Negro, had refused to attend a new law school set up by Texas for Negroes.

"We cannot find substantial equality in the educational opportunities offered white and Negro law students by the state," the Chief Justice said.

The president of the university, Dr. T. S. Painter, commented at Dallas that he would obey the court if so advised by the state's attorney general. This official, Price Daniel, did not comment immediately on what he would advise but did say that the court decision would not upset the separate-but-equal arrangement for the state's lower schools.

Must Change Treatment
Sweatt said he will enroll in the law school in September "without malice toward anybody."

Vinson's second opinion ordered the University of Oklahoma to give different treatment to G. W. McLaurin, a Negro attending the university's graduate school. McLaurin has been required to sit in a classroom row set aside for Negroes. He is assigned a special table in the library. He has a special table in the cafeteria.

"The state," Vinson said, "sets

East Berlin

East Berlin—Children attending the borough schools are now having their summer vacation of about three months, schools having closed Wednesday. Most of them expect to attend the Daily Vacation Bible school at the high school building each schoolday morning for the next two weeks, beginning Monday.

Evelyn, seven-year-old daughter of Mr. and Mrs. Harry L. Taylor, R. 2, is recuperating after a tonsil operation.

Mr. and Mrs. I. M. Duffy have returned to their home at Rochester, N. Y., after spending several days with the Gerald J. Otto family, R. 2, formerly of Rochester.

Mrs. George Elssner and Miss Louise E. Elssner, York, formerly of here, spent Memorial Day with local relatives and friends.

Members of Paradise Catholic church met Thursday evening at the church basement, each family bringing a covered dish for the surprise supper they tendered their pastor, the Rev. Chester T. Loszewski, in observance of his recent return from Europe where he participated in the Holy Year exercises.

The East Berlin Drum and Bugle corps, organized only this spring, of the young men and older boys of this vicinity, were well received on Memorial Day when they marched in their new blue and gold uniforms in four different parades. They appeared in Hanover and West York before taking part in the local observance, and then paraded in Abbotstown afterward.

Several buses were used on the last day of school here on Thursday to transport junior high school students to Hershey for a class trip to both an educational and recreational nature.

Another class trip which was taken during the week was that of the class of 1950 of the local high school who received diplomas last Friday. This class, which had 62 members, spent a few days in New York.

The East Berlin Meeting House, Church of the Brethren, which underwent exterior painting last week, is now being painted on the inside. Mr. and Mrs. Roy C. Wolf, York, visited a number of local residents over the holiday week-end. Mrs. Wolf, who lived here as a child, was formerly Miss Mary I. Nitchman.

Plans are being completed by the McLaurin apart from the other students. The result is that he is handicapped in his pursuit of effective instruction. He must receive the same treatment at the hands of the state as students of other races.

Littlestown

Littlestown — Littlestown cub scouts will have an overnight Camporee in McSherry's woods, near town, on Friday evening beginning at 7 o'clock, instead of a St. John's woods as previously planned. The cubs are requested to go direct to the wood. Each cub is requested to bring along 25 cents and wieners for roasting. Rolls and breakfast will be provided.

The following equipment is to be taken by each cub: warm pajamas, towel, wash cloth, tooth brush, soap, pair clean socks, tin plate, knife, fork, spoon and a cup. Sufficient bedding is also to be taken as they will sleep on the ground in pup tents. Any cub having a sleeping bag or having access to one, is advised to take it along. If assistance is needed in transporting the bag, the cubs are to call L. Robert Crouse or Mrs. Robert Miller. If the weather is damp or raining, the camporee will not be held on Friday. The alternate date will be announced in these columns.

John H. Riley, principal of the Littlestown grade schools, who is in charge of the registration for all children within the borders of the Littlestown school jointure, who will be six years of age before February 1, 1951, has announced that the registration of children will not interfere with the Littlestown Community Daily Vacation Bible school, which is being held in the same building. The rooms in which the registration will be held will be clearly marked. Success story: Popular demand for Packard's exclusive new Ultramatic Drive is simply terrific! Since January 1, more than 85% of all Packards—including the lowest-priced models—have been ordered with Packard Ultramatic Drive!

Success secret: Packard Ultramatic Drive is the first fully automatic drive to combine

- 1—The super smoothness of torque-converter acceleration with
- 2—The gasoline-saving efficiency, and more positive responsiveness, of solid direct drive at all cruising speeds.

No clutch-pushing, no gear-shifting. No jerking, no clunking. Nothing new to learn! Just set it—forget it!

No gas-wasting slippage at cruising speeds, because you cruise in direct drive. No "racing engine sensation."

No risky down-shifts, which might cause a skid on slippery pavement. Smooth engine braking power when needed.

No gearshift lag. Instant change from Forward to Reverse to rock the car in snow or mud.

 grab for power. Duff licked the boots of Grundy until he found the old man slipping, then made his grab for power.

Attacks Judge Fine
 "And Duff makes his run with the most corrupt gang of big city politicians that ever existed. They are the men whom Grundy would not let into the inner councils because they were too corrupt even for his taste."

Declaring that "the Republicans themselves showed the kind of man Judge Fine (Republican candidate for governor) is," Dilworth proclaimed, "the only thing is, they left out a few things and we are going to put those in during the forthcoming campaign. With the power of the court he built his political machine, and he ruined his enemies by the power of the court. Judge Fine turned gambling on and off with the wave of his hand in Luzerne county. His answer to the charge was that the coal miners wanted a wide open county. But that does not answer the sordid rotten part of thing that goes on in Judge Fine's county. Luzerne county was the seat of the racket in phony GI schools which milked veterans and the government of the money for phony education. All that was needed to certify a school for GI training in Luzerne county was to put \$5,000 in the hands of Fine's pay-off man."

Other Speakers
 "And the FBI report, which we have, shows that Luzerne county is the worst in the white slave racket. It is that what it meant by 'wide open' or is that the type of sordid rotten politics which we do not want at Harrisburg."

Attorney Richard A. Brown served as toastmaster for the program. Congressman Lind, Dr. Frank W. Ruth, Democratic candidate for secretary of Internal affairs; Roy I. Carson, Democratic candidate for Judge of Superior Court; Jay W. Bringham, candidate for representative in the general assembly from Adams county, and John S. Rice all spoke briefly.

Former Democratic gubernatorial candidate Rice told of the plans of the Democratic Society of Pennsylvania, of which he is president, to sponsor a registration drive to help the Democratic party overcome the 1,000,000 registration minority it has in the state.

The program opened with Miss MaryJo Adams singing the "Star Spangled Banner" and invocation by the Rev. Charles E. Held, Mrs. Bernadine Storm, president of the Women's Democratic club, introduced

 Hill Billy band.
Plan Firemen's Contests
 Adams County Firemen's day will be held Monday, July 1, at 7 p.m., with two contests, one for conventional type hookups and one for front-end hookups. Fire companies will compete for cash prizes to see which can take its truck from the engine house to Lincoln Square and have water from the nozzle of a fire hose in the shortest time.

An aerial ladder demonstration and water battle by members of the Gettysburg Fire company will be held at the Recreation field Saturday night.
 On Sunday at 7 p.m. at the high school athletic field there will be a concert by the Second Army band and address by Maj. Gen. Cliff Andrus, deputy commander of the Second Army.

GAITHER RITES HELD
 Funeral services for Mrs. May Gaither, widow of James Gaither, who died Friday afternoon at her home at Twin Bridges, Gettysburg R. 4, were held Monday afternoon at 2 o'clock from the Bender funeral home with the Rev. Herman Beatty officiating. Interment was made in the Great Conewago cemetery. Pallbearers included Edward Taughnbaugh, Herbert Zepp, Wilbert Weller, Earl H. Smith, Clair Ford and Charles Baird.

Fred G. Klunk, county Democratic chairman, who welcomed the group to the banquet.

Cites Prosperity
 Senator Myers, in the course of his speech, indicated his plans to run on the record set by himself and the Democratic party. "We should remind the voters of what we have in this great country of ours. We have the greatest prosperity ever and we are at peace. Surely the Democratic party has done a good job. Surely the policies have been right. We took the nation from the midst of a depression and have placed it on a pinnacle of prosperity. We should remind the voters of what the nation's condition was, back in 1931 and 1932."

He slashed back at Senator McCarthy and other "phony patriots" in Washington who make political attacks to discredit the administration and proclaim their Americanism, yet have been doing everything to stop the programs which have kept us at peace. He said that "the same men who besmirch our government, vote against the Marshall plan which has kept Russia far, far away."

 plan Fred Hummelbaugh said "last year was the first year we knew we had positive control. We're going to do a job for \$1,500 this year, which we should spend at least \$7,500, but getting at the mosquito at the source is the best and cheapest way."

Hummelbaugh said he would like to enlist the aid of various civic organizations, divide the town into sections, and have weekly volunteer reports made following inspection of potential and actual breeding places.

Adopt Sewage Ordinance
 An ordinance presented by Councilman John D. Teeter designating the construction of additional sewage disposal facilities as a project for the existing municipal authority, was adopted by council. The municipal authority, created to take over the Gettysburg Water company, will build and operate the sewage disposal plant under the ordinance.

Council authorized the expenditure of not more than \$650 to pay the borough's share of installing a new six-inch water line in Ridge avenue, the municipal authority to pay half the cost, and the borough the other half. The line was authorized.

Accept Property Deed
 A deed to property adjoining Ridge avenue, offered to the borough Monday night by its owner, Elmer Dillman, for a new street, was accepted and the street ordained as "Red Patch Avenue." The right of way will be 50 feet wide with a 30-foot roadway. A new sewer 450 feet in length will be laid in the street.

Borough Engineer LeRoy H. Winebrenner told council that the Tiber was being cleaned and borough employees will start cutting weeds in the borough soon. The Park Service was granted permission to install a septic tank at the Culp farm on battlefield property. A letter was received from the Battledown Guides association thanking the council for action designating parking on one side of Liberty street.

The borough engineer was authorized to use borough employees to place a new roof on the highway shed on Race Horse alley. Winebrenner said the roof leaks badly

and had been patched for the past three years until it could not be repaired again.

To Inspect Alleys
 The question of repairs to several alleys was brought up by various councilmen. Some, it was declared, have never been ordained. Repair of others was referred to the highway committee, and for inspection by members of the council on their annual tour of the borough streets, the date for which was set for next Tuesday night, beginning at 6 o'clock.

Four pavements were reported by the burgess as in need of repairs, in front of Hennig's bakery, 114 Chambersburg street; Citizens Trust

were an orchid organly dress, similar to that of the bride. She wore a floral headress and carried a white colonial bouquet.

The best man was John Anzengruber, brother of the groom. William A. Strayer, Fayetteville, and Chester Small, Gettysburg, were ushers. Howard and Ronald Weiler, Mummaburg, nephews of the bride, were ring bearers and wore white suits.

The bride's mother wore a pink dress, black accessories, and a grey rosebud corsage. Mrs. Anzengruber, mother of the groom, was attired in a crimson red sacony suit, natural accessories and a yellow rosebud corsage.

Reception Held

Immediately following the ceremony, a reception was held at the home of the bride. The Misses Carline Bollinger, Jane Dracha, Nicky George and Jean Hachnlen, classmates of the bride, served. One hundred and fifty attended the reception.

Mrs. Anzengruber graduated from Gettysburg high school with the class of 1950 and is now employed at the United Telephone company. Mr. Anzengruber attended Gettysburg high school and received his diploma from the District Board of Education, Washington, D. C. He served one and a half years with the United States Army with the occupational forces in Japan and Korea. He is now serving in the U. S. Navy at Washington, D. C.

After a honeymoon of unannounced destination, Mrs. Anzengruber will reside temporarily with her parents, and Mr. Anzengruber will return to Washington, where he is stationed. The bride's going away outfit consisted of a plaid suit, navy blue accessories and a white rose corsage.

which has now joined the Church World Service in the work of bringing DPs here, the speaker said.

"Displaced persons are people who are unable to return to their own country because of religious or political beliefs," he noted. "They are those who were taken into custody by the Germans, or driven out by the Russians. They include those who were expelled, those who are refugees and those who were prisoners of war. Some were forced out of their homes by the Potsdam agreement, which the United States signed. They were forced from their homes because they had some German blood, because their forefathers had left Germany up to five generations ago. Many of them cannot even speak German. I wonder what would happen to this section of Pennsylvania if all who were of German descent had to return to Germany?"

President William G. Weaver presided with 54 present at the meeting.

Plan Events For Nawakwa Week-End

The Camp Nawakwa week-end, to be held June 9, 10 and 11, will open on Friday evening with a supper and will close on Sunday afternoon following the 3 o'clock service. This service will be the dedication of Grove Lodge, the newly erected facility building at the camp. The new camp director, the Rev. Rheinald Dietz, Columbia, will deliver the message at one of the hillside worship services. The theme for the week-end's discussions is "Living as a Christian — Through Any Vocation." All who are interested in attending the camp are invited. Meals and lodging are included in a moderate fee.

Speaking From Lincoln Square

"You cannot strengthen the weak by weakening the strong. 'You cannot help the wage earner by pulling down the wage payer. 'You cannot further the brotherhood of man by encouraging class hatred."

"You cannot help the poor by destroying the rich. 'You cannot establish sound security on borrowed money. 'You cannot keep out of trouble by spending more than you earn."

"You cannot build character and courage by taking away man's initiative and independence. 'You cannot help men permanently by doing for them what they could, and should, do for themselves."
